

## Time Outs

- **During competition play each coach will be permitted to have One (1) minute Time Out, during which time they can each speak to their players/teams. This time out cannot be taken within the last 5 minutes of the game.**
- All discussions must then cease once the time out is over.
- One credentialed bocce coach is permitted to sit in the coaches' box/chair at the end of the court.
  - Only the credentialed coach **in the designated coaches' box/chair** may ask for a time out.
  - **A time-out can only be called when a bocce ball has come to a complete stop and your team is in possession of the bocce.**
  - To call for a time out, please stand, and say "time-out, please" in a loud yet respectful voice so as not to disturb competition on other courts.
  - The official will keep the official time and state when play resumes.
  - As you should know, all conversations must occur outside the court.
- On the field in the coach's time out box you are not allowed to talk with your athletes while in this box or walking back and forth from end to end. The only time you may talk with your athletes is during the one minute time out. The time out will be for 1 complete minute.
- Any situation not listed here will be handled by the official on the court in accordance with bocce rules.
